Battalions of the 12th Infantry Has a Brush With the Enemy Near Caluliet.

## THE INSURGENTS WERE ENTRENCHED.

The Filipinos Sent Heavy Volleys Against the Whole American Line. But Shooting Too High.

Unable to Withstand Our Continuous Volleys the Rebels Abandoned Their Trenches and Retreated Northward—Intense Heat.

MANILA, Aug. 17.—The 12th infantry left Caluliet at sunrise Thursday and advanced up the railway.

Capt. Evans' battalion deployed to the right of the track and Capt. Wood's to the left. Two companies remained on the track with the artillery. The insurgents were found well entrenched in front of the town, the trenches having been dug within a few days and since the occupation of Caluliet.

At a distance of 1,500 yards the Filipinos opened fire. Their force was estimated by Col. Smith at 1,500, although the residents afterward said it exceeded these figures by a thousand. The enemy sent heavy volleys against the whole American line. Most of their shooting, as usual, was high, but they concentrated their heaviest fire down the track upon the artillery. Col. Smith kept the whole line moving rapidly with frequent rushes. The insurgents attempted to flank Capt. Evans, and therefore two companies were sent to the right and drove them back.

Unable to stand our continuous volleys, the Filipinos abandoned the trenches and retreated through the town northward. It appears that they had only received their supply of ammunition Thursday morning. Had they been attacked sooner, they could have made little resistance.

The intense heat caused much suffering among the Americans. A reporter of the Manila Times, who was accompanying Col. Smith was shot in the head probably fatally. One American officer received a slight wound in the face.

Lieut. Holland, of Gen. Wheaton's staff, who knew the country thoroughly as the result of reconnaissance, and who assisted in directing the movement, received a volley while riding across a field close to the trenches, but he escaped unhurt.

## SERIOUSLY HURT.

Jim Franey, Knocked Out by Frank McConnell in the Fourteenth Round, and is in a Dangerous Condition.

SAN FRANCISCO, Aug. 17.—It is thought that Jim Franey, of Cincinnati, the pugilist, who was knocked out by Frank McConnell in the fourteenth round before the National Athletic club Wednesday night, may be seriously injured. Franey was unconscious ten minutes, and it required the services of a physician in the ring to restore him to his senses. He was later taken to the city hospital, and McConnell and his seconds held to await the decision of the authorities.

## Yaqul Indians Routed.

MEXICO CITY, Aug. 17.—The latest information from the federal troops under command of Gen. Torres is that they encountered the Yaqul Indians on the left bank of the river between Potam and Medano. By a successful flank movement Gen. Torres surprised the rebels at 8:30 o'clock in the morning and routed them. The Indians made but a weak resistance and soon dispersed in the forest along the river, being hotly pursued. They left seven killed and a large number wounded. The loss to the federal troops was one killed and one death from sunstroke.

## MORE TRANSPORTS.

Secretary Root Desires That the Entire Body of Reinforcements Reach Gen. Otis During October.

WASHINGTON, Aug. 17.—Secretary Root has been in consultation with the officers of the quartermaster's department with a view to expediting the movement of the Philippine reinforcements, and as a result he Wednesday afternoon directed that four additional transports be chartered. They are the Pueblo, Belgian, King O. Columbia and C. F. Nelson. These four ships have a capacity of 2,550 men. The Pueblo is now at San Francisco and the Columbia at Portland, Ore. The other two vessels are expected to arrive at San Francisco in ten days, and it is expected that all of them will be ready to sail for Manila by September 10.

It is Secretary Root's desire that the entire body of reinforcements for Gen. Otis' army may reach the Philippines for service during the month of October at the latest, and to that end he has been quietly negotiating for additional ships. It is now believed that all of the 10 regiments will have landed at Manila by the time the dry season opens. A short and successful campaign by this new army would of course obviate the necessity for sending any additional volunteers to the Philippines and the plans under consideration at the war department are said to be predicated on that idea, it being the intention that whatever additional troops may be recruited will be held in reserve for possible contingencies.

## LABORI SLIGHTLY WORSE.

His Fever Continues to Increase—No Attempt to Extract the Bullet—Dreyfus Trial Continues.

PARIS, Aug. 17.—It is reported from Rennes that Capt. Dreyfus has asked Maitre Mornard, his wife's advocate, to replace Maitre Labori during the convalescence of the latter.

Dr. Paul Reclus says that Maitre Labori was weaker Wednesday and suffered much pain. The physicians have not yet extracted the bullet, and they do not believe that Labori can attend court Monday. They say that it would be an act of great imprudence if he were to do so.

Maitre Labori was slightly worse Thursday morning. His fever continues to increase.

The trial by court-martial of Capt. Dreyfus was resumed Thursday morning without incident.

Gen. Roget resumed his deposition, first dealing with the theft of Esterhazy's letters from Mademoiselle Pays. No application for an adjournment was made.

## General Massacre of Jews Planned.

RENNES, Aug. 17.—It is evident that there have been importations from Paris of the worst class of anti-Dreyfusites. They have come by every train, and they are not here for their health. The police have taken action. Orders Wednesday night were that three drumbeats shall be a signal to fire. Drums are now with every command in the city.

As nearly as can be ascertained, the plan of the arriving mob is for a general massacre of the Jews near the anniversary of St. Bartholomew. It is claimed that the regular inhabitants of this town are in thorough sympathy with the malcontents, but this is not certain.

## The Hurricane's Appalling Work.

# FIVE ASSAULTED.

That Many White Women Were Attacked by a Negro in Twenty-Four Hours.

## FOUR SUSPECTS HAVE BEEN ARRESTED

If the Right Man Can Be Positively Identified He May Receive Summary Punishment.

All the Assaults Occurred in the Suburbs of Little Rock, Ark., and the Women Were Attacked in Almost the Same Manner.

LITTLE ROCK, Ark., Aug. 17.—Five brutal assaults by a Negro man on white women have occurred in Little Rock in the past 24 hours. It is generally believed that all these crimes were committed by the same Negro, but three suspects have been arrested, and if the right man can be positively identified he may receive summary punishment. The victims of the assaults are all highly respected white women of this city. Their names are: Mrs. Belle Aiken, 2114 Chester street; Mrs. Milton Young, 2401 State street; Mrs. Kennedy, Fourteenth and Jones street; Miss Emma Longcoy, 1420 Booker street; a young lady at Twentieth and Cross streets.

All of the assaults occurred in the suburbs of the city. The first was that of Mrs. Aiken, which occurred Tuesday afternoon. As Mrs. Aiken was passing Twentieth and High streets the Negro seized her and dragged her to the woods. She resisted and cried for help. A passerby frightened the Negro away after he had severely beaten his victim. Officers at once began a search for the assailant but failed to find him.

## LEADING CHARACTERS OF THE DREYFUS COURT-MARTIAL.

At 9 o'clock Wednesday morning, a few blocks from the scene of the first crime, Mrs. Young was assaulted in almost the same manner. The Negro knocked her down with such force that a rib was broken, causing internal injuries of a serious nature. He choked and beat her about the head and on the side inflicting very serious injuries. The Negro finally seized her purse and disappeared in the woods. Mrs. Young, who is a frail woman, is in a precarious condition from her wounds and the shock. Her clothing was torn almost entirely off in the struggle.

An hour later Mrs. Kennedy was attacked at her home near West End park. She was knocked down, beaten and choked. Her children ran for assistance and the Negro fled. Mrs. Kennedy's injuries are very painful.

About 11 o'clock Emma Longcoy, the 11-year-old daughter of a grocer, was attacked and beaten by a Negro half a dozen blocks from West End park. She escaped from her assailant. City and county officers, together with a large number of citizens, were by this time scouring the vicinity for the Negro. The greatest excitement prevailed and the anger of the citizens in the neighborhood was thoroughly aroused.

The fifth assault occurred early Wednesday morning on a well known young lady at Twentieth and Cross streets. She was likewise knocked down and badly beaten. Her face was badly swollen and disfigured from the effects of the blows.

These outrages were brought to the attention of Gov. Jones and he at once offered a reward of \$100 each for the arrest and conviction of the guilty parties.

Four Negroes have been arrested as suspects and lodged in jail. They all answer the description of some of the victims. They are Ed Wright, Joe Gardner, Will Morgan and James Randolph. Wright has been positively identified by Mrs. Kennedy as the man who assaulted her. As soon as darkness fell men began flocking toward the vicinity of the jail, and by 10 o'clock fully 2,000 were on the streets.

About 11:30 o'clock an attempt was made to storm the jail. The leader of the mob was arrested by Sheriff Kavanaugh on a charge of inciting a riot and lodged in jail.

## JOHN R. GENTRY WON.

The Little Bay Station is Still King of the Light Harness Racers—Time 2:03 1-2; 2:04 1-4—Searchlight Third.

ROCHESTER, N. Y., Aug. 17.—The Little bay station John R. Gentry is still king of the light harness racers. At the Rochester Driving park, Wednesday afternoon, the three greatest pacing stallions of the American turf, John R. Gentry, 2:00 1/4; Joe Patchen, 2:01 1/4, and Searchlight, 2:04 1/4, waged a battle royal for the supremacy. The attendance was 8,000. The track was very fast, and although there was a slight breeze down the home stretch, it did not seem to hold the racers as they turned into the stretch and headed for the wire.

The first heat was the best of the race. The owner of Patchen, W. S. Haws, at the last moment decided to drive in place of Dickerson. The scoring was prompt and at the fourth attempt the horses started to pace the race of their lives.

At the quarter Gentry was a length and a half behind, while Patchen and Searchlight were on even terms. The leaders held the same position when the half mile pole was reached and Gentry had dropped back another length and a half. All three were driving at the three quarters, but it was not until the stretch was entered that the mass of cheering and wildly excited spectators saw coming out of a cloud of dust in the rear of the leaders, who were pacing like a team, a flash of hoofs and the steel gray cap and coat of Billy Andrews, who, with a masterly hand, guided his magnificent charge to the outside of the track and shot to the front like a meteor. Faster and faster, with every fraction of a second seemingly gaining greater speed as they came on toward the wire, moved the flying sulkeys until the gap was closed. A hundred yards from the wire Patchen went in the air and Searchlight's driver began to
